

Podcast – Covenant Relationship with our Brethren.

Paul said that we should know no man after the flesh so relationship between brethren is also a place of spiritual covenant. Our common place of covenant with God should cause us to be in covenant with each other and to behave in certain ways one toward another, such as:

- Because we understand that God loves us both as sons, that means I am not more important than my brother and I will not exalt myself over him. Philippians 2:3-4
- I will honor my brother and seek his increase. Romans 12:10
- I will not hold back from the needs of my brother. 1 John 3:17-18
- I will be swift to forgive my brother. Matthew 18:21-22, 35
- I will show love, mercy, kindness, gentleness and long suffering toward my brother. 1 Corinthians 13:4-7
- I will watch over my brother and encourage him. Galatians 6:1-2
- I will bless and curse not. Matthew 5:22
- I will fight for my brother, not with my brother. Jude 1:22-23
